SPEAKERS – WARREN KENNEDY 0418 404 927

June: **Mike Munroe** - *'Growing up in Mosman in the 1960s and mother's association with the Sacred Heart Convent'*

You could make a movie out of Mike's career in journalism. Starting as a 17-year-old newspaper copy boy and working up to a career of television reporting. Most of us will recall programs such as *60 Minutes*, *A Current Affair* and *This Is Your Life*. Mike's talk today will take us behind the scenes of his fascinating career which continues today in the making of documentary programs for the History Channel and, in his spare time, documenting family history in two books.

July: **Graham Spindle** - *Spain, the Camino de Santiago*, ending at the Santiago de Compostela Cathedral

Best ferry for our lunch leaves Circular Quay at 11.40 a.m. for Pyrmont Bay. It's just a short walk around the corner from there. Allow plenty of time for ferry change if catching the Mosman ferry to the Quay. There is parking nearby if you decide to drive, either on the street or parking station.
