### From The President's Desk

Welcome Everyone to 2026 year of good fellowship friendship and fun.

*Lloyd, Kristine, Brenda and I met with hotel management in December to discuss some concerns regarding our Monthly Probus Meetings. Below is a summary from the meeting:*

*Due to Government legislation, we cannot enter the hotel before 10am even if doors are open as it puts the hotels licence at risk.  
Therefore, At 10.00 am Attendance Officers only, will be permitted to enter through the Main doors so they can set up the Registration tables.*

*At 10.05 am Members are able to enter through the main doors. Please do not enter through the Coffee Shop.*

*We encourage everyone to stay for lunch after our meeting. We understand that from time to time members have other commitments and this may not be possible.*

*The Hotel expects lunch attendance to be 60 percent each general meeting otherwise they may impose a room hiring fee.*

*Please order your meal between 10.05 and 10.30am on the form at your table. These will be collected and entered in the system so that at Morning Tea when we queue for payment all you will have to do is give your table number and name.*

*Please respect the hotel staff and if you have a concern please speak to one of our executive members and not the hotel staff.  
The Club's Executive will liaise with the hotel.*

*Our March meeting is our A.G.M, so It's now the time for nominations for the 2026 Management Committee. All position are open.*

*If you're interested, please ask our secretary for a nomination form.*

*Thanks to all our Co-Ordinators for planning wonderful activities for our members to attend during February and March.*

*Thanks also to other members of our group who have specific roles in the club. I am sure you appreciate the many hours that they all put in behind the scenes helping our Club to run smoothly so that we can have Friendship Fellowship and Fun.*

*Please don't forget to sign up on the activity sheets if any of the new February and March activities are of interest to you.*

*For the Hygeia outing you are welcome to bring a friend, add their name to the list and pay Brenda.*

*If you sign up for an activity and then are unable to attend, please give the Co-ordinator as much notice as possible, so that they can advise the venue of the change of numbers. Recently we have had embarrassed Co-ordinators as they had not been advised that members were not coming or did not advise that they were attending. This is not acceptable as it effects our reputation with venues.*

*Also, If the activity you need to cancel involves pre-payment, then there is no refund. However, the more notice you can give the co-ordinator the greater chance you have of someone on the waiting list willing to buy the ticket from you*

*Remember whenever you have a great idea about anything that can help our Club, please share it with the Committee via the Suggestion Box at the monthly meetings.*

*As we are a big Club, please remember to wear your name badge (If you need a new badge or magnet, please see Mary or Brenda.) Please also continue to introduce yourself to anyone you may not have met at Probus so that no-one feels left out.*

*We all know what it is like when first joining a group if you don't know anyone. So, let us all make a real effort to include everyone and make sure they feel comfortable when sitting at the table. If there is no empty seat available at your table then maybe you could pull up another chair or help them find one at another table.*

*Maureen, Carmel and their assistants have spent January planning and creating a wonderful atmosphere to celebrate 50 years of Probus.*

***At our General Meeting on Monday, if possible, please wear something that is blue, yellow, and gold to celebrate 50 years of Probus.***

*Please feel free to contact Maureen or Carmel if you can lend a hand in setting up the venue this Sunday night.*

*Wishing you all good fellowship friendship and fun.*

**Cheers, Kevin**
