NOVEMBER 2025

ISSUE 421

President's Message

The year 2025 is rapidly approaching its end, but we still have plenty of activities for members. First among these is our Christmas /Lunch Party on Tuesday 9th December at the North Ryde RSL Club. If you still haven't nominated your attendance or paid your money to attend, please do so as soon as possible. Further information follows in the Bulletin.

We also have many events such as the Coffee Club and the Finance Special Interest Group.

At the next meeting we will vote on the new Constitution and Standing Resolutions. The draft has been sent to all members. Please let a member of the Committee know if you have not received it.

Now is a good time to think about nominating for a place on the Committee for 2026/2027. Being a member of the Committee gives you the opportunity to make a difference to the Club. It is your Club, and this is a way to ensure that your interests are met. The elections are due in March, which is not too far away.

Geoff

NEW CONSTITUTION & STANDING RESOLUTIONS

You should have received either by email or a paper copy of the New Constitution & Standing Resolutions. These will be voted on at our November meeting. Probus South Pacific (Head Office) commenced the current review of Club constitutions in 2023. The objective was to provide Clubs with updated, concise constitutions that reflect modern practice and current legal requirements. PSPL worked with both its lawyers and a Focus Group, made up of Probus members from across the country to develop the new Recommended Constitution and Recommended Standing Resolutions. Our Management Committee recommend that we adopt the New Constitution and Standing Resolutions.
