**PRESIDENT'S REPORT**

Well, we are back from our holiday and looking forward to seeing you all again. Sorry that the September meeting had to be relocated due to road and carpark works at Carrum Hub. The access, noise and lack of parking were all factors.

Spring will see our bike riding group warming up soon, there is also a movie outing on Friday 12th Sept. 10.15 for 10.30am at Hoyts, Frankston.

Please remember to bring some change for a Melbourne Cup barrier draw sweep, possible donation to our speaker and Christmas raffles at our October meeting.

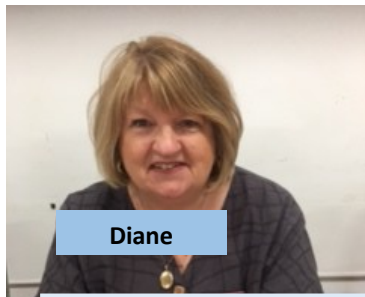

Additionally, some committee positions will become vacant next year, and we are looking for new members if you would like to help out.

Safe travels to those off to Norfolk Island and looking forward to hearing all about it.

Cheers, Paul

### Season 4 Professor T" - Sandra's review September

Professor Tempest (T) has returned for season 4 on the ABC and streaming service BritBox. The series is a crime drama with the lead character, Professor T, portrayed as a quirky, somewhat odd but engaged crime solving assistant to the local Cambridge police force. Professor T is played by Ben Miller recognised as one of the detectives in Death in Paradise.

There is a mix of comedy, intriguing crime puzzles and personal stories especially of Professor T's childhood where he had to cope with a most eccentric mother and OCD personality problems. The cast prove an entertaining experience well worth a look on Sunday night ABC TV
