PRESIDENT'S REPORT:

Hi everyone,

Welcome to today's meeting, it's great to see you here. I know that we have discussed winding up the club but if we could get a few new members and increase our meeting attendance, we could continue. We need at least 15 attendees just to cover the cost to rent the hall for the meeting.

Unfortunately we do not have a speaker today as there has been a death in their family and the funeral clashed with our meeting.

I will miss next month's meeting as I will be away (I know, AGAIN). I will be on a cruise from Berlin to Strasbourg via Amsterdam.

CLUB OUTINGS :

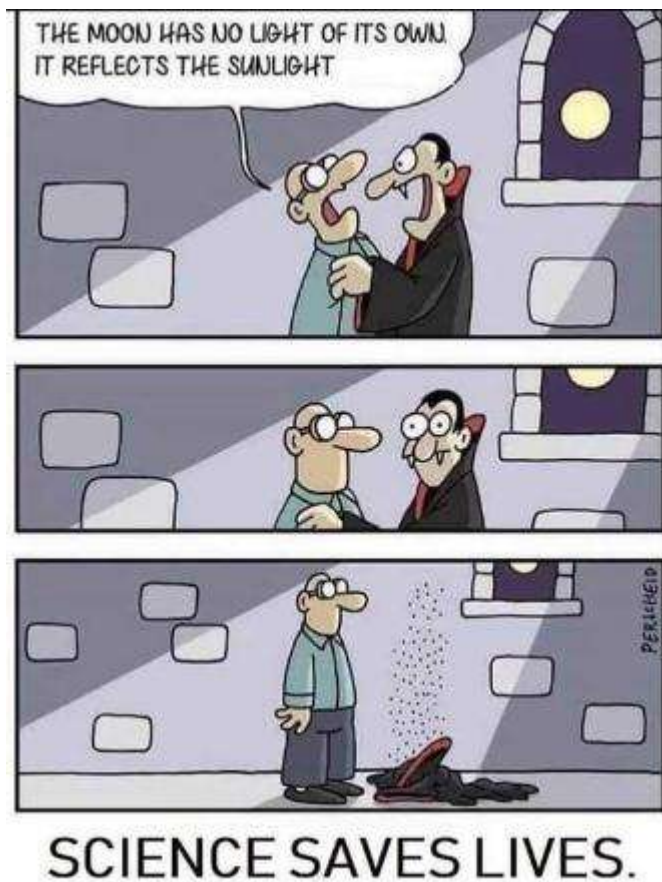

SANDRA **0434 367 198,**
CAROL **0498 959 436**

Carol and Sandra arranged a Xmas in July lunch. Here are some of the photos that Lucy took on the day.
