## PRESIDENT'S CORNER

It is nice to sit in the sunshine out of the way of the chilly winter winds enjoying a good book. So far, our members have managed to remain healthy with only a few reporting that they have succumbed to the winter blues. Now is the time to plan for the coming spring weather and look to enjoying more of our activities. Over the past fortnight I have worked with Bob, Des and Ernie to apply for a grant to hold a "Staying Safe While Connected" tutorial session for our club. Your involvement will assist in making this a successful tutorial for you and others. We'll be holding an information day to help solve issues with how to use technology and stay safe. Please consider coming along. Details to be provided at the next meeting. Yours in Probuss Aileen Tesoriero
