PRESIDENT'S CORNER

I went to the front door expecting to go out without my coat. Well that didn't work. The sky was dark grey with the promise of rain and maybe hail. A quick dash inside, I grabbed one of my many coloured scarves plus a warm coat. This is the regime for the next few months especially when attending Probus outings. The committee have been hard at work and there are many activities to keep you busy. Please sign up, pay at the square, keep your receipt on the fridge and then on the day have a great time out with your club members. Please take care when walking on wet surfaces and shelter under awnings if it is raining. Winter has shortest days, longest nights and lowest temperatures than all other seasons. Stay warm and safe. Yours in Probus Aileen Tesoriero

SPEAKERS

July: Our Past President, Ernie, will be our guest speaker. The Committee has invited him to present a talk he has already shared with over 30 other Probus clubs. His presentation focuses on membership - specifically, the efforts we've made over the years to attract new members. This topic is especially important at this point in our club's history. Ernie will share valuable ideas on how we, as a club, can continue to grow and attract new members.

August: David Cox Guitars For Vets Australia. He is an ex-serviceman and businessman. David established an organisation in Australia, designed to help service personnel suffering from Post-traumatic stress disorder, through music. He will discuss how his organisation operates by introducing members to music by teaching them how to play the guitar.
