## PRESIDENT'S CORNER

Each week warmer days entice us out to enjoy the fresh air. There are many outings on offer and we encourage you to come along. I've been busy with getting an interactive "Safety while Connected" information session established. This session is for your benefit and we would like to see as many members as possible attend. We'll be providing assistance with your devices - phone, ipads, tablets and laptops with a view to creating more confident users of technology. Chat with a committee member or me if you want more details. Yours in Probus, Aileen Tesoriero

## SAFETY WHILE CONNECTED

This interactive learning session is funded by the government organization "Good Things". How do I keep my personal information safe while I'm connected to the Internet? This afternoon will touch on several areas regarding staying safe when using your mobile phone, tablet or computer when doing your email and internet banking. This is an interactive session so please bring your phone, iPad, tablet or laptop. There will be a guest speaker to talk about how to check for genuine email and check for spam and what do next. We will help you to create a logon for the Govt website Be Connected. Here you will find tutorials on a variety of topics designed to help you gain confidence in using the internet. Do you have any questions regarding your device? this is the place to be on **22<sup>nd</sup> Oct** to get assistance
