

Visit to Amberley Air Force Base

Tuesday 16th September 2025

Chermside Probus Club Visit to Amberley Air Force Base on Tuesday 16th September 2025

Noela and Ailsa coordinated a visit to Amberley Air Force Base, which was a well-organized and enjoyable outing. The security check-in was a unique experience, as we all had to present our IDs and be photographed before boarding a bus featuring the Bullets logo. We started the day with morning coffee in the park along the way, followed by a visit to the RAAF Amberley Aviation Heritage Centre. The Centre showcases the Royal Australian Air Force's rich history with a diverse collection of aircraft, memorabilia, and exhibits. We had the opportunity to explore vintage aircraft, interact with displays, and learn about Australia's military aviation history, including iconic aircraft like the F-111 and F/A-18 Hornet. After our visit, we enjoyed lunch at Yamanto Tavern before heading back on the bus decked out with the Bullets logo, adding to the sense of team spirit. The outing was a success, and all members appreciated the chance to explore the base's facilities, enjoy good food and company. Special thanks to Ailsa and Noela for their amazing job in organizing the day.
