### Vice President Barts report

#### Probus Picnic 7<sup>th</sup> Brigade Park

22 October 2025

Could not ask for a better day, plenty of sunshine and fun. Firstly, thanks to everyone who arrived early to setup for the day's events. Morning tea was wonderful- sweets, sandwiches, coffee, and tea. Thank you, ladies, for bringing all the goodies. It was good to socialize with the other Probus clubs (at least 4 other clubs) who attended the picnic, can't remember anybody's name. Also, Councillor Danita Parry stopped in to say hello, unfortunately she didn't stay long and missed out on enjoying a sausage in a buttered slice of bread, maybe next time. After morning tea, the games began, we enjoyed and played bean bag and ring toss, egg and spoon race (after a couple of qualifying heats, Sandgate club won the event). After a bit of a rest from the games, the BBQ was fired up (electric) and the sizzling began. Thanks to Mike for lending a hand with the BBQ. We had the standard BBQ fare, sausage's, buttered bread and onions (Robyn precooked the onions and they were caramelized to perfection). As the day came to an end, we said our goodbyes to the other clubs and to each other. It was lovely catching up, a very enjoyable day.
