From the President:

Hello Fellow Probus Members,

I do hope you all had a happy and enjoyable Christmas.

Be thankful for St. James Coptic Church, for we could not find an alternative venue. Father Shenouda has been most helpful in assisting us settle in.

Today is the first meeting in our 'new look' home. You will find that everything is not as it was in 2025!
"Change is the only thing constant."

The committee has an exciting 2026 planned, so please join in!

I wish you all a great and happy 2026 in our Club and your personal lives.

Sincerely

Don Chandler,

ANNUAL GENERAL MEETING (AGM): Friday 27 March 2026 – **Committee Nominations** – The 2026–2027 committee positions need to be filled in time for ratification at the AGM in March. Nominations close **Friday 27 February**. All positions will be declared vacant. A nomination form is included with this Bulletin, and additional copies may be obtained from the Secretary. New members can be nominated for Committee roles and are most welcome to apply,

Next of Kin – It seems that about 30 members have not yet supplied their **NEXT OF KIN** details to Jill Kidd. This is a necessary requirement before you can attend any of our outings. If you don't know Jill, please pass onto **Warwick** or one of our committee. Forms will be available from Warwick on checking in.

Theatre Tickets – From previous experience, it's a good idea to make a photocopy of your theatre tickets. It's so very easy to forget to bring them along and a photo from your phone would assist the theatre organiser to know the details of your ticket in order to re-issue.

St James Coptic Orthodox Church Fete – Sunday 8 February – 10 am to 6 pm. Fun for the whole family – cold drinks, milkshakes, Mediterranean food, gifts, face painting and Jumping castles. 355-357 Whitehorse Road, Nunawading. All Welcome!

Scam Tip – Email Scams

Scammers send emails pretending to be from the Government, law enforcement and businesses. They make it sound urgent to get you to act quickly. Scammers use the same logo and a similar email address as the real organisation. Scammers can also copy or disguise their email address behind the email address of an organisation or business to make the scam email look more real.

Signs an email might be a scam:

- Requests a payment but the account details are new or have changed since the last payment you made.
- Asks you to log on to an online account with your username and password or to provide other personal information.
- Was unexpected and includes an attachment with an invitation to open it.
- Asks you to confirm your banking details to receive a refund or money you are not expecting.
- Claims to have information about you or images of you and threatens to release them.
- Offers to help you recover money or get compensation for a data breach or identity theft,

Steps to protect yourself from email scams

1. Check that the email is real by *contacting the person or organisation directly using contact details you've found yourself such as from the organisation's website or via their official app (never via a link).*
2. Immediately stop contact with anyone who tries to threaten or intimidate you.
3. Never give personal details or pay anyone offering you:
 - (a) Compensation or help to recover from a previous scam or data breach or
 - (b) Winnings, prizes or an inheritance.
4. Use multi-factor authentication when you can. This provides an extra layer of protection and means a scammer has to know your email password and a pin number sent to your phone to gain access to your email account
