

JULY
2025

The Newsletter of the Kenmore Millennium Probus Club Inc.

PO Box 1282 Kenmore Q. 4069

We next meet at Boulevard Gardens on **8th July** at **9.00am** for **9.30am** start. As you know, we need new members to enable us to keep meeting at this lovely venue, so please invite your friends as guests in the hope they'll join us - and remember your attendance is vital. President Ian will discuss alternative venues at this meeting.

This month, **Judith Anderson** OAM, a free-lance writer, researcher and editor, will address us. Since 2010 she has been writer, researcher and a volunteer guide for Queensland's Government House and has developed a great interest in the fascinating history of this heritage-listed estate

In **August** we'll hear from **Don Begbie** about Roman and Ancient building feats in Southern France and Spain. Don will share with us his recent experience with these world heritage-listed sites, and in **September**, **James Legessner** will share "Snippets from a Baby Boomer's Diary."

..So, my teacher told me not to worry about spelling because in the future there will be autocorrect. And for that I am eternally grapefruit.

..I hate it when I see an old person and then realise that we went to high school together.

..Saw this sign on the closed door of a Music Shop: GONE CHOPIN BACH IN A MINUET OFFENBACH SOONER.

..Every time a bird craps on my car, I eat a plate of wings on the front porch to show them what I'm capable of.

..One day you'll find someone that is obsessed with you. It's probably going to be a dog, but it is what it is.
