SMILE

Exercising can add years to your life. For example I jogged 4 kilometres today and now I feel like I'm 104!

It's perfectly OK to talk to yourself and it's perfectly OK to answer yourself. But it's totally sad when you have to repeat what you said because you weren't listening.

If robbers ever broke into my house and searched for money, I'd just laugh and search with them.

Always make sure someone in the relationship has good credit. That's why they are called the SIGNIFICANT other. (Sign/if/I/can't).
