SMILE

If you're buying a watch from Amazon, be warned. I learned the hard way that if it says you can swim with it, this only applies if you can swim without it.

95% of electric vehicles are still on the road. The remaining 5% made it all the way home.

Do you ever wake up, kiss the person sleeping beside you and feel glad you are alive? I just did and apparently will not be allowed on this airline again!

I hired a handy man and gave him a list. When I got home, the only items completed from the list were numbers 1, 3, 5 & 7. Turns out, he only does odd jobs!

I just realised that I haven't done the "Hokey Pokey" in over 10 years. I guess when you get old you just forget what it's all about.

Why do the French eat snails? They don't like fast food.
