## President's Report

Carolyn Broadhead

As I sit down writing this report Christmas is almost upon us. By the time we meet again it will be all over and we'll all be in 'diet mode' and recovering from New Year's Eve celebrations. Thanks to Maureen for organising such a wonderful Christmas party last month. It gave us the Christmas vibe!!!

A new year is upon us and we hope 2026 will be a year of working towards peace in the world. As Probus members we enjoy fun, fellowship and friendship. To me, friendship is the hallmark of Glenhaven Probus as members regularly reach out to each other to give support in times of need. Lets continue this in 2026 not only at Probus but in your communities.

### President's Challenge

At the Beach .....Get out your beach gear, sunhats, thongs, sun dresses, shorts, surf shirts, snorkels, goggles, flippers, swimming noodles, fishing gear, surfboards, and boogie boards. Take your pick from the list above and come to enjoy our January meeting.

## Christmas Party @ Springfield House - There are more on the Website Gallery

## Croquet

## Brett and Kerry Wood

This year has seen many changes and improvements for the Probus Croquet Group, with the building works completed, the clubhouse now overlooking the lower green and a noticeable difference in the quality of the lawns thanks to the new green-keepers. No longer has Vern needed to supply a bucket of Galston Gold soil to fill in the divots, the weeds are gone and amazingly most shots go straight to somewhere near where we are aiming!

Congratulations to all who have honed their skills enough to attempt jump shots, make a hole in one the length of the field, or manage an 'in-off' defensive shot to win the match! The standard has certainly lifted, with stakes high, especially when playing against your (not so better) half. Thank you to all members who make it a great way to start a day.

We look forwards to another enjoyable year in 2026 and would encourage all new members to 'give it a go'. You will find it a wonderful mix of strategy, luck and skill, while the morning tea interval is a highlight.

### Next game

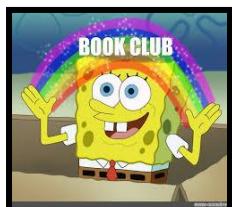

Our first game for 2026 will be Thursday 22nd January with a 9:00am start for a 9:30am draw. New members are always welcome to join the group. Just send us an email or register your interest with Brett or Kerry at the next meeting. Play is at the [Cheltenham Recreation Club](#), 60-74 The Crescent, Cheltenham. Mallets are available to borrow for those in need.

### Cost

\$15 per person in cash as no EFTPOS is available.

## Book Club

## David Short

The Book Club finished its year with the discussion of two books followed by a social gathering for lunch at *Glenhaven Green*. Thanks to Helen McGregor for hosting the meeting and introducing the great little café at her village.

The two books that we have been reading this month were "*Burn Book: A Tech Love Story*" by Kara Swisher and "*The Drowned*" by John Branville. As usual, opinions of the books were vastly different. Kara Swisher's book did not draw much support, with most discussion criticising her style of writing as well as the content of the book. John Branville's book, on the other hand, was generally considered to be worth the time to read, although, again, opinions were varied.

We would welcome new members into the group for 2026. Two books are listed for each month, with members free to choose between the books or read both books or read none at all and just come for the morning tea! We meet on the fourth Wednesday between 10am and noon at different venues each month. If you are interested in joining in the gathering, please let David Short know.

## Dad Jokes

I KEEP ALL MY  
**DAD**  
JOKES IN A  
**DAD-A-BASE**

I cannot believe someone broke into my house and stole all my fruit. I am peachless

Drinking at home instead of the pub isn't working out. I almost asked my wife for her phone number.

I caught my neighbour stealing my socks off the clothes line. I was going to confront him but I got cold feet.

I wish I knew who kicked the jack from under the car whilst I was working on it. The suspension is killing me.

It's a five minute walk from my house to the pub. It's a 35 minute walk from the Pub to my house. The difference is staggering.

I just saw a man with one arm shopping in a second hand store. I don't think he will find what he is looking for.

I can't understand why my calculator just stopped working. It just doesn't add up.

I asked the librarian if they had any books on amplifiers. She said "yes, what volume would you like?"

I met a girl who runs a battery kiosk in the local park. So basically she sells C Cells by the seesaw.

## Darts

**Graham Fletcher**

We had another good day at our December gathering with 16 sharp shooters in attendance. We were also very pleased to welcome Peter and Cheryl Wadick to the Group.

Why not join us for the next game, followed by lunch afterwards. There is no cost for playing and lunch costs approximately \$15.00.

Please do not be concerned if you feel that your dart skills are not the best, you won't be alone and the game we normally play is not designed as a competition but more a game of luck.

Aim to be there.
