A NOTE FROM THE PRESIDENT'S DESK:

Have you ever driven past something and said to yourself, "I must go there one day". Being a procrastinator, it happens to me regularly. Every time I went to the Rowing Club for lunch, I would say to myself, "I would love to go to the Navel Museum". Thanks to our events committee I was able to tick something else off my bucket list. The exhibits were amazing, so much history on display. Our hosts had so many stories to tell us; the high light was that of HMAS Melbourne and HMAS Voyager. To this day, they really don't know what went wrong. If you have something on your bucket list maybe we can help you tick it off. Last month's presenter cancelled at the last minute so Gordon Coss came at short notice, and gave a very interesting and informative presentation about Dance For Parkinson's. For our monthly lunch we celebrated Christmas in July at the Fiddler, a great time was had by all, oh, except for the bus load of visitors who got half way to Camden before they realised they were going to wrong way. I'm looking forward to lunch at the Marsden and a week later a look over the Print Museum.

Kind regards, Keith Rowe

"Age is merely the number of years the world has been enjoying you."
