### PRESIDENT MESSAGE AUGUST 2025

Welcome to the warmer weather (it might just be a little early for that ).

Our next meeting in August will be the 7th Birthday for our Club. Its another milestone in the development of our Club which continue to enjoy a steady and consistent growth.

I would like to thank Vicki Dwight for standing in for me at the July meeting. I understand from several people that she did an outstanding job. Our Club is fortunate to have so many talented individuals that give up their time to make our Club a success. Thanks again Vicki.

Probus in Australia has developed quite rapidly over the last ten years, and whilst there are many clubs enjoying excellent attendance and membership, there are also some that are closing due to insufficient numbers and members unwilling to take on roles to manage and support the Club.

As a response to this issue Probus South Pacific has required changes to both the Club Constitution and the Standing Resolutions that govern each entity.

Each Probus Club must vote and accept the PSPL Recommended Constitution and personalise and accept by vote the Standing Resolutions that will govern how we operate as an individual Club.

Your Committee has worked through each document and agreed upon the items that will provide individuality for Pitt Town. It is these documents that we will be presenting in August.

You will have received copies of all these proposals with your Agenda so that we will be to vote on and ratify both the Constitution and the Standing Resolutions.

I look forward to seeing you all at our August Meeting.

Lets celebrate our Birthday together.

**Regards  
Derek  
President**

### TREASURER'S REPORT

## HYDE PARK PHOTO WALK

24TH JULY 2025

It was only a small group of seven who travelled to Hyde Park for a day of Remembrance and Reflection at the War Memorial.

After coffee and a snack at Town Hall Station, we arrived at our destination, to be assisted by very informative volunteers. A light-hearted moment occurred when the open-top funicular box-lift became stuck with four of our members inside.

Our delightful lunch was enjoyed at the Hydeaway Café, on the edge of the Park, after which we travelled home at a leisurely pace.

I had planned this day with our male members in mind, but the seven girls all thoroughly enjoyed their own company!

All, in all, it was a most enjoyable and relaxing outing, abounding with Probus Friendship and Fraternity.

Thank you once again, for your support.
