

Bright Trip May 2025

Robyn Nicholls

Members of our Probus group were joined by members of some other Probus groups on a trip to Bright and what a fantastic time the 21 of us had together.

We were picked up at the New Hope Church carpark by the Bright Chalet bus and driven up to Bright.

Following a morning tea stop at Wallan we went into Euroa for lunch. The majority of us enjoyed a delicious lunch at Mawsons Bakery as recommended by the driver. We also had time to wonder the streets before resuming our journey.

The Autumn tree colours were just stunning as we came through Myrtleford and into Bright. It certainly was the perfect time of year to visit.

Tuesday was off to Mt Buffalo and a chance for a bit of a stroll to enjoy the beautiful scenery and morning tea beside the historic Chalet.

In the afternoon we explored Bright before heading to the famous Nightingale Orchards at Wandiligong.

Wednesday it was off to Yackandandah where we had a chance to explore this historic town before driving onto Albury for lunch and again time to meander.

After leaving Albury we visited the Migrant camp at Bonegilla.

Displaced migrants from war torn Europe were housed here in the 50s and 60s.

We were able to explore the camp and take in the wonderful historical display.

Thursday was a visit to the Snow Line Deer and Emu Farm before heading off to Beechworth. We had the opportunity to explore this historic town at our leisure. On our return to Bright we stopped at the Pumpkin Seed Farm in Myrtleford.... lots of yummy samples to taste.

Sadly, Friday came and it was time to pack up and head for home but not before a stop at the Milawa Cheese Factory and of course a delicious coffee. Our wonderful driver was happy to detour into Euroa so we could again lunch at the Mawson Bakery.

Our meals at the chalet were certainly delicious with an incredible variety to choose from. Each night we had the chance to join together in front of a beautiful warm open fire.

This was such a great trip to enjoy with a wonderful group of people - a fantastic way to get to know each other and meet new friends.

If you haven't joined one of our trips, seriously think about it and enjoy an enjoyable time away.
