JANUARY 2026

PRESIDENT'S REPORT

Hello Everyone,

Welcome back.

This is our first news letter for 2026 and my first report for the year.

A new year and lots to look forward to.

I hope you all had a peaceful, relaxed time during the Christmas break.

My first thoughts this year must go to the terrible act of hate and terror that those poor people suffered in Bondi during January when it should have been a time of happiness and joy for all.

How can we deal with such an atrocity?

I hope, as a New Year's resolution, we can all decide to be a bit more loving and kind to those around us.

Perhaps then we can overcome hate and in our own small way, help make our world a better place.

Now for our new Probud year. Your committee has been busy and so much is already planned. I'm excited for the year ahead.

As you know our club is a happy, friendly place where you can enjoy a get together every month over a "cuppa" and listen to excellent speakers who cover a wide variety of topics. The outings and lunches are varied and we hope, cater for all needs.

GENERAL MEETING :

Thursday January 22nd

TIME :

10:00 for an 10:30 am start.

VENUE :

**Blackburn Hotel Function Room
111 Whitehorse Road, Blackburn.**

SPEAKER :

Kieren Smith
History of the Archibald Prize.

This year we have included several outings to The Round. Marjorie has tickets booked for six of these events. You can secure your ticket by paying \$24, per event, into our Activities Account. We have 10/15 tickets only for each event so these will sell quickly. Those who have been before know what excellent value for money these shows are.

Our most important Annual General Meeting is rapidly approaching, this will be held on 26th March.

At our February meeting we will call for nominations for the coming year. It would be wonderful if several people put their hands up. I ask you, most sincerely, to consider doing this. I'm sure you all know my feelings about participation, the club belongs to all members and if possible you all deserve a turn at making decisions about the running of the club. The position of a committee member is enjoyable, certainly not difficult and with new ideas coming forward our club remains vibrant.

I intend to stand down this year after three years as your President. I made this decision not because I don't want to continue but I think it's important that other people have the same opportunity. It has been a great privilege.

Our hope this year is that we can attract some new members. We plan to do a letter box drop around the area but I think the most successful method is by "word of mouth". I'm sure you all know someone you could ask along. A neighbour, friend, relative as long as they are retired or semi retired and would like to make new friends and enjoy a good social life, they are most welcome.

I end this report on a sad note. The committee and members of our club send our condolences to Kaylene on the death of her mother just after Christmas. Pauline was an elegant much loved lady who was head of a large family, I know she will be sadly missed by all.

Again, welcome back and let's enjoy a prosperous 2026.
