The Newsletter of the Probus Club of Wheelers Hill

January 2026 Volume 40 Folio 10

## PRESIDENT'S MESSAGE

Greetings fellow Probians,

Happy New Year to all my fellow Probians. I trust you are all fit and well and if you overate or had a few too many celebratory cheers, I'm sure that by now, you are all back to your state of fitness and good health. I believe everyone present at the Christmas lunch had a good time and enjoyed an abundance of hot and tasty food. Our thanks to **Doreen** again, for organising this event. Well done, Doreen.

Hard to believe here we are now in 2026. The scary "(Y2K)-bug" from 2000 never presented (I stocked up with candles and tinned food to no avail). The Covid bug that everyone was terrified of, has passed, and we hope life continues on a steady base from now on.

This month we are happy to induct **Lien Dang** to our Probus club. Welcome Lien! I'm happy to state that our most recent new members have quickly become involved with the Probus activities.

Now Re: 2026 Committee and AGM in March. Apart from the President's position, all portfolios will be open. I, with the current committee, would like to encourage you to volunteer for a position with the new committee.

The following day is Australia Day so feel free to bring your Australia or kangaroo flags. We might even sing Waltzing Matilda... More details will be forthcoming. For now, please mark your diaries. It will be bring a plate and alcohol. Tea and coffee will be provided.

A SUGGESTION BOX has been kindly made by **Laurie Fraser**, so please let us know what you think. Is there anything you would like us to instigate? Any suggestion that we could do better will be appreciated.

FINALLY I'd like to say a big thank you to the Committee, you have all been very patient and helpful with my President's year. Particularly **Secretary Ian** and **Sheila**. Thank you, I do appreciate you all.

**“In my 30’s I exercised to look good. In my 50s to stay fit. In my 70’s to stay ambulatory. In my 80s to avoid assisted living. Now, in my 90s, I’m just doing it out of pure defiance.”**

Dick Van Dyke (recently turned 100, and still dancing). For the pure joy of it, watch him dancing in Mary Poppins – with the chimney sweeps in ‘Step in Time’.

I hope you started the year off on the right foot!

## STROLLERS

**Thursday 18<sup>th</sup> November** was very hot, yet 6 intrepid members still gathered for our monthly stroll. We managed to get in some steps walking around the lake and library. Luckily the walk was made more comfortable because most of it was in the shade.

We decided to try out the refurbished Café at the Wheelers Hill Library and enjoyed chatting over coffee and sharing some Christmas treats.

Members are welcome to come and join us once a month and enjoy the exercise, or just sit and watch, and of course enjoy coffee afterwards. If you would prefer to join us just for coffee, feel free to do so. We adjourn for coffee at about 11:00am, or earlier if the weather is against us. For the January walk, we will decide on the day whether to adjourn to the library Café or Paul's Patisserie. We are not quite sure how crowded the Café will be. The next Strollers walk will be held on **Friday 23<sup>rd</sup> January**, at 10 am.

## MUSICAL AFTERNOON

Our thanks to **Val Eldridge** for hosting a musical afternoon on **Sunday 21<sup>st</sup> December**, especially so close to Christmas. With a storm and driving rain in the early afternoon, we didn't know if anyone would turn up, and were pleasantly surprised to have 11 people arrive and ready to share both food, music and conversation. Rose and Noel made a special effort to attend to ensure we enjoyed Rose's chicken sandwiches!

### CHAT GROUP

At the December meeting of the Chat Group we welcomed 14 members. After an early coffee in the club lounge we moved to a large table in the club bistro and spent an hour and a half in lively discussion on topics ranging from Immigration, private health insurance and the burqa to funeral plans and what members would do/buy if they won the lottery.

For the first time in many months Donald Trump was not mentioned.

Our next meeting will be on **Monday 2<sup>nd</sup> February, 2026**.

Peter Russell  
Convenor

### COFFEE and CONVERSATION

Eight people met up at the Probus table at Café Verdi on **Monday 29<sup>th</sup> December**. It is interesting to see the changes each month as the Brandon Park Shopping Centre glams up a little with the renovations. More changes were noticeable this month.

All are welcome to join us on **TUESDAY 27<sup>th</sup> January** at 10:00am. Note the change of date due to the Australia Day public holiday.

**Val, Anne, Pam, Carole, Carol, Brenda, Zina (and Sheila behind the camera).**

### OUTINGS AND EXCURSIONS

#### Badge reminder

A reminder to wear your name badge at all meetings, activities and outings.

#### Payment for Outings

If you normally prefer to pay any monies due via deposits to the Club Account, then please continue to do so. The Bank Account details are listed on the front page of the Newsletter. Make sure to include your **name** and **activity** when you make the transfer.

For those members who prefer to pay cash at meetings, please note that there will be **pre-printed envelopes** available on the Registration table at each monthly General Meeting. We suggest you take 2-3 envelopes so you can complete these at home with the correct amount and also save any queries or delays at the table.

## Callout for photographers and journos!

The newsletter relies on members for contributions, especially relating to activities, outings and trips. If you'd like to contribute a couple of photos, a report, a few words, or even some dot points for any of these, I would be most grateful.

Have other ideas? Have a chat!  
Thank you in advance....., Sheila (Editor)

The family, while preparing the family history, were embarrassed and confounded as to how to describe their Criminal Uncle, who was executed tied to the Electric Chair in Prison.

Since they wanted to show their family in a positive light, they finally came up with following :  
"Uncle Don occupied the chair of applied electronics at a leading government institution. He was attached to his position by strong ties and his death came as a Shock."

*I'm not saying I'm old...*

*but when I was in school we made our parents ash trays for Christmas.*

**A hacker called me and said he had all my passwords, I got a pen and paper and said 'Thank God for that, what are they'**

**Absolutely brilliant!**

Once Ishwarchandra Vidyasagar, Bengali poet and scholar, jokingly asked Michael Madhusudhan Dutt, an Anglophile poet of great repute; **"As you are a Master in English, can you make a sentence without using a single 'E'?"**

**Dutt, the genius, wrote this:**

"I doubt I can. It's a major part of many many words. Omitting it is as hard as making muffins without flour. It's as hard as spitting without saliva, napping without a pillow, driving a train without tracks, sailing to Russia without a boat, washing your hands without soap. And, anyway, what would I gain? An award? A cash bonus? Bragging rights? Why should I strain my brain? It's not worth it."

*I might wake up and go running.*

*I might also wake up and win the lottery.*

*The odds are about the same.*
