There will be at least 3 committee positions to be filled in at the AGM next March. Margaret is standing down after a 2nd stint as Secretary and being on the committee for a number of years. Shirley is standing down as Treasurer after 7 years as President, a number of years as Treasurer, in fact approx. 12 years being on the committee. And as mentioned at our October meeting Rod will be standing down as the Guest Speaker Organiser (this does not need to be a committee position). None of these positions take up a lot of time, in fact they are not onerous. Please consider taking up a role on the committee. The committee works together and supports each other, and if you are interested please talk to our President Jan. Our next committee will be in January, so maybe consider coming to the meeting to see how it is run. They normally only take about an hour.

NO COMMITTEE, NO CLUB!!

Have you any suggestions for an outing that you would like your committee to consider for the future? Then please tell us by
