2	2007	April	Bright		13
1	2007	February	Marysville		12

Readers should note that the first 42 trips were organised by June Calis. June was ably supported by her husband, Kees, who was the provider and chief cook of his fresh eggs - which ususally covered one whole BBQ plate. Poor health, and the loss of Kees, forced June to retire from the job she did so well.
