# The President Prattles

Another calendar year almost over. It has been a tumultuous year in some respects which is affecting all of us – the Ukraine war, Trump, global warming, our economy, just to mention a few. 2026 for New Zealand is however looking up going on predictions from economists.

The Probus South Pacific Limited fee for the 2026/2027 year has been increased by 50c to \$10.50. This is probably in line with inflation – an increase of 5%. Your Probus board will be setting your fee early in the new year which will then be presented to the AGM in March for approval. Currently the fee is \$40 which if I have my way will not be increased – so that will be good news.

Feedback on the Xmas lunch indicates it was well received. Thanks to all those who helped to organise the event and those who helped on the day – without these willing helpers the event would not happen. The Board had decided to hold it at the Hobsonville Bowling Club due to the ever increasing costs at venues in the Hobsonville area. Many thanks to New World who supplied the food at a very good cost. There was a minor shortage on a couple of items but that was just a case of what people preferred. Should we hold another lunch in this format we will have a footprint on quantities to order. Obviously we did not want a lot of food left over. Thanks also go those who supplied raffle prizes -New World, House of Travel, Ryman and Unichem Hobsonville. It is not often you can have an entry in a raffle without having to purchase a ticket.

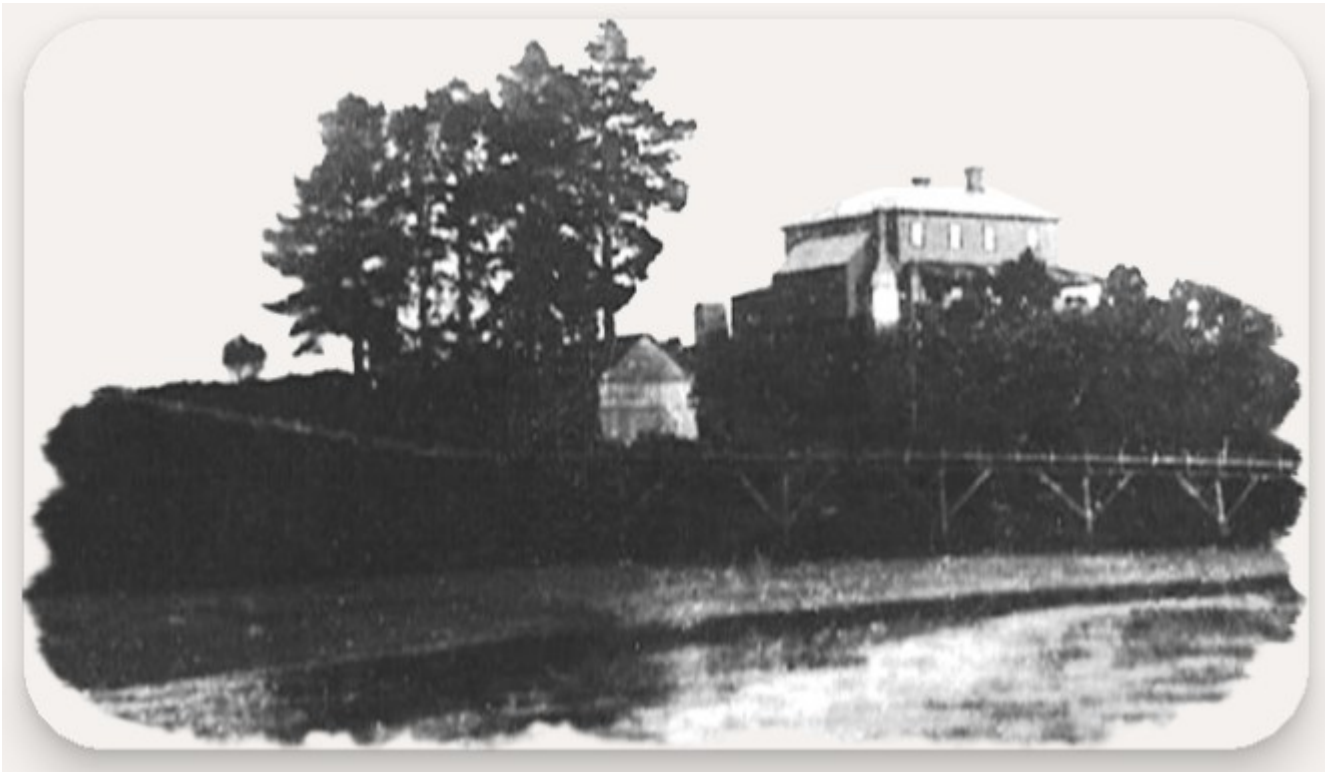

Coming up in March 2026 is the Annual General Meeting. The most important part of this is the election of a new Board. A number of the current Board will be retiring having spent a number of years on the Board. We need others to step forward to continue the good work that has been done in the 6 years of the Probus Club of Hobsonville. A lot of us have been there and done that and will have a lot of experience that they could contribute to the Club even only if it is for a year. In particular we will need an editor for the Probian. The indications are that we will have a new President as the one and only Molly Smith has held up her hand. Should you wish to be on Molly's Board please have a chat with her.

Wishing you all a wonderful Xmas with family and friends and catching up with you at the January meeting on 19th January 2026 where we will be having an excellent presentation by our Probus member Chubb Roberts.

President Ralph

## The Historic Riverhead Tavern

The Riverhead Tavern is New Zealand's oldest riverside tavern, dating back over 160 years, with a rich history tied to early transport, trade, and community life.

- **Origins (1860s):** Established in 1867, The Riverhead Tavern quickly became a hub for travellers and settlers moving north from Auckland. Before roads and railways were built, the wharf and tavern served as a gateway to the region.

- **Liquor Licence:** It holds **New Zealand's second-oldest liquor licence**, making it a landmark in the country's hospitality history.
- **Community Role:** Over the decades, it welcomed farmers, fishermen, smugglers, clergymen, and constables, becoming a place of refreshment, stories, and local connection.
- **Renovations:** In 2010, the tavern underwent extensive renovations, reopening in 2011 with its heritage carefully preserved while modernizing its hospitality offerings.
- **Today:** Known simply as *The Riverhead*, it remains a popular destination for dining, events, and scenic ferry cruises up the Waitematā Harbour.
