PRESIDENT'S DESK FEBRUARY 2026

Greetings Folks,
Welcome to February,

Many thanks to Past President Pam for taking the lead once more for the January meeting whilst I recovered from surgery. Also to Vice President Doug for writing the report.

I had terrific feedback regarding Show & Tell from the last meeting. It seems everyone enjoyed the morning & seeing other members' interests & collectables.

Train trips & walks have also been well supported, with Woy Woy & Davistown a great success, lovely sunshine capped off a memorable day. The new Sydney Fish Markets to top off the month. February walks promise to be just as adventurous.

This month also is our much anticipated two week Tasmania Tour, this pristine state with its wilderness, lakes & mountains & charming towns is always a pleasure to visit & explore.

Fellow members, continue to support our outings & activities & share your thoughts & suggestions with the committee as they endeavour to make our Probus group an enjoyable experience.

Nancy McLeod
President
