President's Message: Pat Humphries

We had a really busy time at our September club meeting, so busy I almost forgot the raffle draw and was saved by the timely and direct intervention of Mr Les Brimblecombe who came up and handed me the first winning ticket which brought me back to business and into line. Thanks Les.

There were a number of unforeseen announcements which quite threw my run sheet for the meeting into the air. There was a really buzzy atmosphere which seemed to herald the joys of spring on a beautiful morning. We are fortunate that our meetings seem to generate really positive vibes and members enjoy the chance to catch up and share time with one another

To those of you unable to join us because of illness, we missed you. Hope you get better soon. Shout out to Eileen South our secretary.

Fiona Berthold expressed her thanks for the care and support she has received from our members following the death of her husband Tom since our last meeting. It has given her much comfort.

John Miller spoke of the bus trip to Mangatainoka which was very enjoyable and Chris Harwood thanked him and his wife Lesley for their work in organising it. He has plans for more trips.

Chris Harwood advised the members about the constitutional changes required to make our club compliant with new legislation. See the panel entitled [Update of the Club's Constitution and Standing Resolutions](#) below.

Chris Harwood also talked about future outings, details of which are shown later in the newsletter. Lots to be going on with.

James Abernathy spoke of the upcoming car rally in November and is seeking registrations from members to participate.

Keith advised the Men's Coffee morning has vacancies and encouraged more participation.

Finally, a local company, We Love Local, based at a warehouse in the new industrial estate on Miro Road, off River Road in Otaki, is seeking some people with good penmanship to write the cards that go out with their gift boxes of local products. The timeframe would be November / December in the run up to Christmas and they anticipate it would be five days per week and people concerned need their own transport. They are a small company with friendly staff of varying ages who enjoy a pleasant atmosphere. Do please contact me if this is something you would be interested in following up or if you know someone who might fill the bill.

Attendance: **Attended: 67** **Apologies: 20** **Silent: 16** **Visitors: 4**

Names of members and visitors attending the meeting are noted on the membership list.

New Member

We welcomed a new member, Brian Mulvay to our club. He was introduced by Liz Smith and is Kapiti born and bred.

Update of the Club's Constitution and Standing Resolutions

In 2022 the Incorporated Societies Act became law. As an incorporated society, we are obliged to review our club's constitution and standing resolutions to ensure they meet the requirements of the legislation. The constitution and regulations will then be submitted to reregister the club with the New Zealand Companies Office. This has to be completed by 5 April 2026.

Probus South Pacific Limited (PSPL) provided guide documentation and Chris Harwood and Chris Gane have revised our documents in line with the templates provided. The committee has reviewed and approved the proposed documents and needs to seek the formal approval of members. To do this in the most time effective way, the Committee has sent out the draft documents ahead of the October meeting for you to review. We ask that you direct any questions or suggested changes to Chris Harwood ch.ja@xtra.co.nz or Chris Gane gane.christine@gmail.com by **23 October**. They will contact you to discuss your ideas and collate them for the membership to consider.

Thanks in advance for supporting this important process. - Pat Humphries, President

Committee Members

It is that time of the year when we are seeking people to help run our club. In March we will appoint a new committee at the AGM. Following excellent service some committee members will be stepping down from their roles so we are seeking nominations for the following:

- Vice President
- Secretary
- Treasurer
- 2 Committee members
- Members Attendance Roll at the door at each meeting

The prior officeholders are very happy to give support and advice as required – if you are interested in helping, please talk to Pat Humphries or any of our committee members.

10-Minute Speaker – Tim Allsop

Tim gave a very interesting talk about his wood-turning hobby. Tim told how he had done a course in woodworking and turning after he retired. It became a passion and it is expensive to setup the machinery needed, but he enjoys making beautiful things.

He sells a lot of what he makes but he told us says there is little money to be made if you consider the time and endeavour and the cost of materials. He likes to use a variety of decorative items like shells and tile work with the wood and, with a wife who is an artist, there is no shortage of inspiration. He brought a selection of beautiful items to let us see and he doesn't just turn bowls and plates and vases, but combines different woods and develops lattice like patterns with colour variations which are beautiful and unusual. He will be exhibiting in The Kapiti Arts Trail at St Stephens Church on the corner of Langdale Avenue on 1-2 & 8-9 November 2025.

Guest Speaker: Graeme Jupp - 100th anniversary of the Titanic sinking

Our speaker Graeme Jupp gave a comprehensive address on his trip in 2012 to commemorate the Centenary of the sinking of the Titanic. He joined a cruise which travelled from New York up the east coast of the United States and Canada to Halifax in Nova Scotia where most of the bodies recovered from the tragedy were transported to. The ship anchored in the North Atlantic at the point where the Titanic went down and a live band played at the exact time, 1.40 am. He continued on then to the UK and Ireland.

Graeme's extensive collection of photos of the ship, the destinations, the memorials, and objects and facsimiles available to inspect in New York, Halifax, Cobh, Southampton, London, Liverpool and Belfast give a real graphic record. His specialised knowledge just rolls out with the photos in a way which is interesting and informative. He met with the descendants of some survivors, with renowned expert artists and writers who have specialised in this field and

who gave lectures which provided insights into the effect of this tragedy. He talked about the ships and people involved in the rescue.

In the questions following the presentation, Graeme said so many of the people were unable to be identified because at that time people did not need the kind of documentation now required to travel internationally. There were many families caught up in this tragedy, which included the ship's crew, engineers, the musicians, the officers, the passengers who were part of the greatest maritime tragedy which accounted for the loss of 1496 lives. I did not know how large a role was played by Halifax in Nova Scotia. – Pat Humphries.

Bus Trip to Woodville

On Thursday 11 September a group of 45 members and their partners embarked on a bus trip to Woodville via the new road - Te Ahu a Turanga: Manawatū Tararua Highway.

It started off as a beautiful morning and we all thoroughly enjoyed the trip. We stopped for a while in Shannon to enable a visit to the conveniences and coffee for anyone who wanted to frequent the local cafés.

Unfortunately, Ruthann Doyle, suffered a medical event and an ambulance was called. She was taken to Palmerston North Hospital where she was kept under observation for a couple of hours and then taken home by an obliging neighbour who came to collect her. We are pleased to let you know that, following an adjustment to her medication, she is feeling much better. She has asked us to say thank you to everyone who helped her out during this time.

By the time we reached the beginning of the new road the clouds had rolled in, but we were very interested in what Wayne Stewart, a senior civil engineer who worked on the project, had to say. There is a parking area at the beginning of the road, with information on the project and an excellent view of the Parahaki Bridge. There are bike and walking trails being created along the Manawatu Gorge.

Wayne explained that the road is an 11.5 km, four-lane new highway between Ashhurst and Woodville. It replaces the old State Highway 3 after it was closed in 2017 due to landslides in the [Manawatū Gorge](#).

I think we were all surprised to learn that the whole journey from one end to the other takes only about 11 minutes. It is, however, a very spectacular journey with long bridges, steep gradients, managed wetland and runoff areas together with panoramic views and stopping places to

enable vehicles to safely pull over and admire the scenery. There is a walking and cycling track which follows the road. Wayne recommended using an electric bike as the gradients are so long and steep! I did not hear if anyone was keen to give it a go, but it would make a very interesting 10-minute talk once the member had got their breath back!

On the other side of the hill, we made our way to the former Tui Brewery at Mangatainoka, where we partook of an excellent lunch, joined by Wayne who seemed to enjoy being kidnapped by us, as he had not arranged transport back over the hill. As you can see, they laid on a wonderful spread for us. There was so much that many of us were able to take home some of the “leftovers”.

There is an interesting museum area, recording the history of the brewery, which ceased brewing on site in 2015. They still have an active pub and conference centre with an outdoor area which would be lovely in warmer weather.

After lunch we stopped in Woodville for 45 minutes to allow everyone to wander around the town and check out the antique shops and other stores. This was marred a little by a short sharp shower, but most of us managed to stay under cover and stretch our legs, though I didn't notice any antiques making their way onto the bus. (Perhaps I should re-word that sentence!)

We then returned over the hill and dropped Wayne back off at the carpark with thanks and expressions of good will on all sides.

The journey home was enlivened by a series of jokes and sayings, circulated throughout the coach, to which we were apparently indebted to a member of the Bridge Club. A selection of candies also came our way and I for one enjoyed the chance to eat a jelly gecko (at least I hope it was a jelly gecko) and a variety of other sweets.

Finally, thank you very much to **John and Lesley Miller** for taking so much trouble to arrange such a fantastic day out. Your attention to detail is great and everyone really enjoyed themselves. – Linda Hall

We have two vacancies in the group.

Lunch Group 2 (Midday Gourmets): Christine Jamieson—021 056 3614

We enjoyed our lunch at the Fisherman's Table on 4 September. The lunch was a week earlier than usual so we didn't clash with the bus trip the following Thursday. Luckily, I had booked for 12 noon, because a very large group came in just after us. The food was good as was the company.

Lunch Group 3 (Golden Diners)—Marjory Gillespie 027 471 5863.

Apart from problems caused by the technical issues on the railway, we had a lovely walk from Pukerua Bay to Plimmerton, with lunch at Palmers at the end.

The next walk will be on Friday 17 October. Meet at Kaitawa Domain, Kaitawa Crescent at 10 am. About 5km on flat tracks. Coffee/lunch afterwards at Café Palms, Kāpiti Lights.

All welcome - just turn up. Contact on the day: Fiona Berthold 021 300 292.

Mini Walking Group: Christine Jamieson 021 056 3614

Our first walk was around the lake and lagoons in Kōtuku Drive, an easy walk for those not so fit, and a beautiful day, sunny and still. We had the

largest group we have had for this walk, 19 people, and

we met afterwards at Truffles for coffee, just as well they have a large room for a large group.

However, the weather was not kind for the walk today, so we just had coffee at the Village Cafe in Raumati, for a very small group. Aaah the vagaries of the spring weather.

We can hope for more settled weather for the walk for next month.

All welcome – just turn up

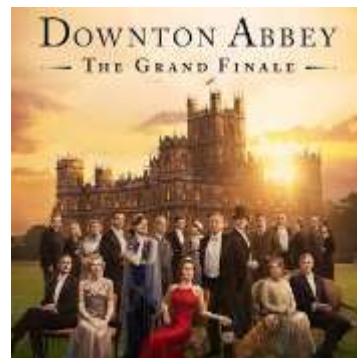

Movie Group: Fiona Berthold 04 297 3201

fiona.berthold@gmail.com

Contact Fiona at fiona.berthold@gmail.com if you would like to be notified about the next movie.

Travel Group: Kathleen Clayton 04 296 1713

Christine Jamieson told the Travel Group about her recent trip to Argentina with her daughters. They spent time in Buenos Aires where they saw the Recoleta cemetery with its many mausoleums. They also visited Cordoba and enjoyed a day trip on a ferry across the river Plate from Argentina to Montevideo in Uruguay. There are no vacancies in this group.

Twilight Dining: Kathy Bamford 04 299 0938 kathybamford@gmail.com

The Twilight Group meet on the 3rd Thursday of every month at 6 pm, excluding December/January. We dine at various restaurants in the Kapiti Coast area and attend when available. We are a very friendly, happy bunch and we welcome new members.

Wine Appreciation Group 1: Roger Griffiths 021 463 153

The wine group met on September 2nd at Richard Chilton's home. Our first meeting since Gill's passing.

We spent a more than usual reflective, but enjoyable evening among friends. We even talked about wine!

Rumour has it that Roger was not willing to share the cheese platter!

Late Afternoon Wine Group (LAWG): Margaret Hawkes 022 637 6402 marg_and_tony@msn.com

The Late Afternoon Wine Group (LAWG) met on 2 September 2025 at the home of Margaret and Tony Hawkes.

We tasted:

- ☐ Tora Bay Reserve Sauvignon Blanc 2024 12.5%
- ☐ Tora Bay Reserve Pinot Gris 2024 13%
- ☐ Robert Mondavi Private Selection Vint Buttery Chardonnay California 2023 14%
- ☐ Farm Hand Organic Shiraz 2024 Monash Valley 14%
- ☐ Naked Owl Brut Cuvee Australia 10.5%

All the wines rated well, scoring between 20 and 24 out of 30. The Shiraz was rated the wine of the night by a very small margin from the Chardonnay. The least popular was the Naked Owl sparkling wine.

The next meeting of the LAWG will be held on Tuesday, 7 October at 4 pm.

Hosts: Sharron and Craig Burleigh

If unable to attend, please let Margaret know on 022 637 6402
