

# Newport Probus Club LINK

Issue No: 081 July 2025

---

## President's Message

The purpose of a Probus Club “is to advance intellectual and cultural interests among persons who are retired or semi-retired”. The Club “will hold regular meetings and arrange activities that provide opportunities for members to stay engaged and connected through social interaction” (The Constitution); I wonder if we are all reaping the benefits that membership of Newport Probus provides.

I visited the Art Gallery this week to view The Archies, Sulman and Wynne Exhibitions and invited a friend to join my group. She replied, “Thanks but I am going with my Probus Club”. I suggested another friend may like to go to Carousel with us and she responded “Belrose Probus has a large group going”.

Newport Probus has a wide range of activities that advance intellectual and cultural interests and others that support social engagement. Many of our activity coordinators will be delighted to have more members participate in their activity. As we welcome new members in the coming weeks we must encourage them to

join in the activities and enjoy fun and friendship - there is something in Newport Probus for everyone.

## Editor's comments

### Monthly Meeting – It is in your own interest to sign in

Please do not forget to sign in when attending our Probus meeting, it is your responsibility to do so. If you fail to do this you will be marked as absent. This will affect your minimum of 50% attendance for the year.

Also, there are Probus insurance implications if you aren't listed as being in attendance.

If you can't use the QR code, either get a friend to sign you in or check in with the membership officer who will note your attendance. **SO, SIGN IN**

### Waiting List Now Open

Please advise your friends that the NPC Waiting List is now open. They should contact Stephen Neutze our Membership Officer at [stephenneutze.probus@gmail.com](mailto:stephenneutze.probus@gmail.com) to have their name and details added to our waiting list.

### Coffee with Friends

I have it on good authority that Coffee with Friends is a largely undiscovered gem. Following on from our President's message this is a terrific opportunity to meet new friends and keep in touch with your existing friends, so please go along and check it out.

### Meeting attendance

Please remember that all members are required to attend a minimum of 50% of monthly meetings.

If you wish to submit an apology for a meeting, please send an email to our Membership Officer, Stephen Neutze. Please note that an Apology does not count as attendance.

### Recipe Sharing

Andrea Mollema has started a trend by sharing, on the Caravan & Camping WhatsApp, a fish stew recipe, along the lines of "first, catch your fish" which Dot & Jim Tinker managed to do. Personally, I would like to know how to make zucchini tasty.

### Speakers Corner

Our exciting guest speaker this month is a member of our club and a retired Engineer, John Ivering, whose topic will be "Bridges - Burke and Wills Bridge Legacy." He has a fascinating story to tell.

**Monthly Meeting**  
**MINUTES**  
**Thursday 5<sup>th</sup> June 2025**

- President Jennifer Neilson opened the meeting and covered
  - Usual Housekeeping including location of bathrooms and emergency gathering point

- Secretary Rob Charlton advised that minutes of the May meeting had been published in our newsletter, the Newport Link (p12). He asked for questions. There being none:

**RESOLVED** that the minutes of Monthly Meeting held on 1<sup>st</sup> May 2025 be accepted. (Moved Drew Martin, seconded Hette Mollema)

- Acting Treasurer, Ron Jones presented the monthly financial report which had also been published in the Newport LINK (p 11). No questions were raised from the floor.

**RESOLVED** that the financial report be accepted. (Moved Rob Charlton, seconded Sam Burrell).

- Ron announced that he was trying (in vain to date) to reconcile a payment of \$90 made over the counter in cash at a bank. No reference data had come through to the club. Payments made this way do not identify the payer or the reference code for the activity. Ron repeated the instructions that appear in every copy of the link regarding use of reference codes on payments.
- Ron asked that any member who may have made such a payment approach him during or after the meeting.

- Activities manager Robyn Joscelyne reported on upcoming activities:

- ANZAC Memorial Tour -June, 19th
- Carousel, Glen St Theatre - July, 2nd
- Carisbrooke House, Lane Cove, August, 21st
- Griffith and Riverina tour, September, 14-19th Sept
- Christmas Lunch, 11th Dec, Bayview Golf Club

- Hette Mollema conducted a birthday celebration for members born 80 years ago. Baby photos showed how far some 1945 babies had strayed from their original looks.
- Following morning tea...
- Bev Duncan introduced our guest speaker Sgt Melinda Murray from the NSW Mounted Police. Sgt Murray, a Mona Vale resident, gave a spirited, informative and entertaining talk about the history, mission, composition and day to day activities of the “mounties”. She introduced us to some of the

police personnel but perhaps more engagingly to the wonderful horses that are part of this section of the NSW Police.

- Bev Duncan thanked Sgt Murray with a donation from our club to the NSW Police Legacy Foundation.
- Jennifer Neilson closed meeting on time at 12 noon:

## How to use WhatsApp

WhatsApp Groups are simple to use and safe for members to communicate within their discrete group. That said, it can be overwhelming if you have multiple groups which results in “dinging” on your phone each time someone posts a message, so here are some things to consider:

- ✚ Avoid posting after 9pm or before 8am unless its urgent.
- ✚ Try to keep communications that are relevant to the spirit and intent of the specific group.
- ✚ If you need to have 1:1 conversation that is not necessarily relevant to share with the whole group, you could always switch to using text messages as an alternative.
- ✚ You can hit the WhatsApp “mute” button so you don’t hear the “dings”, however, be alert that you might miss a message that is important if you don’t check you phone regularly.
