

WHAT A BETTER WAY TO SPEND A WINTER DAY THAN A 'CHRISTMAS IN JULY' LUNCH

On the 23rd July, the Combined Probus Club of Belmont Central held its annual Christmas in July lunch at the Shell Club, Geelong.

About 40 people attended enjoying each other's company and the delicious traditional Christmas fare on offer. A hearty meal of Roast Port, Ham and Turkey accompanied by a tasty selection of vegetables was served. This was followed by plum pudding and pavlova with all the trimmings.

There was much excitement when the lucky number prize was drawn and a hamper bursting with goodies was won by Bev Coomber.

All in all, it was a delightful afternoon, spent with fun, laughter and fellowship. Many thanks to Gillian Connelly and Anne Gill for organising a very successful event.
