

FOOTY FEVER

The Combined Probus Club of Belmont Central's September General Meeting had a 'Footy' theme where members were encouraged to attire themselves in their club's colours and bring along some memorabilia or treasured footy possessions. Members were welcomed to the meeting by the sound of various club theme songs being played (thanks to Simon De Souza) which set the tone for the meeting. Clubs colours of Melbourne, Hawthorn, Essendon, Carlton and predominantly Geelong, naturally, were proudly worn by a number of our members.
