My wife and I went to town to shop. When we came out there was a policeman writing out a parking ticket. We walked up to him and said, "Come on man how about giving a senior citizen a break." He just ignored us and continued writing the ticket.

I said, "He was mean". He glared at me and wrote another ticket for having worn tyres. My wife muttered, "What a Jerk." He finished the second ticket and stuck it on the windscreen with the first. Enraged he wrote more and more tickets; this went on for some time. Finally, he finished, sneered at us and walked away. Just then our bus arrived, and we got on it and went home.

We try to have a little fun each day now that we are retired. It's so important at our age!!
