NEWSLETTER

Thursday 7th August 2025

***Cecil Hills Probud Club
was formed at The Cecil Hills Community Centre on
6th June 2024.***

President's Message:

This meeting we celebrate our club's 1st birthday; I think you must agree the club has gone from strength to strength over the past year. The outings and guest speakers have been a highlight, and the fellowship we share with our members makes the club an enjoyable place to be. Please come and help us celebrate this big day.

What Is Probud?

I had a friend ask me the other day what is Probud? I had to think for a moment and went to my back up Google –

Probud clubs offer opportunities for members to stay active, expand their interests, and enjoy social activities like outings, guest speakers, and other events.

This is true however I believe it offers a lot more. It gives the opportunity to be involved as much or as little as we want. It gives us fellowship, and I think a sense of belonging in our advancing years. It's important that we remember this is our club. In finality the Probud Club of Cecil Hills has a bright future moving forward. Happy Birthday Probud Club of Cecil Hills.
