## President's Message:

In Jeanettes absence I think we all found our guest speaker Chris from **Searchdogs Sydney** was very informative and interesting.

Hello and a very warm welcome to you all.

Foundation members and our guests who I hope will join us in this new venture and exciting journey. The foundation committee members and I are looking forward to making Cecil Hills Probus Club an added highlight in our local community.

It is our club for our social enjoyment and there is plenty in store for our members! Activity groups, short day trips, overnight and extended trips are all being researched to offer you as well as our monthly meetings which will include some interesting guest speakers.

It's an amazing time to be involved with a new Probus Club, Be assured there is no fund raising or political agenda! Just like minded retired a semi-retired people looking to have some fun and friendship.
