PRESIDENT'S MESSAGE

Wonder how many of our members went to VicRoads after that interesting talk about Road Safety rules and regulations as we age at our May meeting.

Confession time is ...not me!

If you didn't buy the updated *Road to Solo Driving* by VicRoads I can assure you it's an interesting read.

The walking group had a great jaunt around the Sculpture Park at McClelland Gallery in Langwarrin recently. With amazing weather that day it was certainly enjoyable for the walkers as they explored our close neighbourhood on foot.

Our June meeting is our 'bring a friend' meeting so now is the time to put the feelers out to friends and neighbours who might like to come along and see what a jolly lot we are!

Our secretary extraordinaire is hoping we can have an information table at Bentons Square shopping centre soon. Once we get a date I hope we can have a roster of members manning the table while encouraging people to join us.

Marg has got some posters scattered around and she has a supply of flyers and business cards. I encourage members to get a few to hand out when you're out and about.

Don't forget Friday coffee at Kirk's Hotel each week.

Stay warm.....

Janet

JUNE SPEAKER

Diane White, a member of the Mornington Museum and Historical Society has graciously agreed to be our speaker for June.

The organisation was formed in 1964. I'm sure there will be many interesting stories relating to the past, of our wonderful coastal town. Look forward to seeing you at the meeting .

Nancye Joy Gardner, who has run Road Safety Programs on the peninsula for the past 30 years, was our speaker at the May meeting. There were a number of rules she reminded us of which were 'new rules' to many of us who had obtained licences a number of years ago. It was a very informative and interesting meeting.

Join in for a fun "Christmas in July" get-together at Frankston RSL on Wednesday 30 July for a Christmas themed lunch and show featuring Denis Walter. (\$42 per person for dinner and show \$38 for Frankston RSL members)
