

BONDI BEACH PROBUS CLUB

ACTIVE RETIREES – Fun and Friendship in Retirement

15 December 2025

Dear Members and Friends

As befits our name, this club has many members who live in and around Bondi Beach and Bondi. We are a new club but we have quickly become a family.

We are now a family in mourning following the devastating events at Bondi Beach on Sunday.

Together with the Probus South Pacific Limited Board and team, this club expresses support and deepest condolences for everyone impacted by this tragic and senseless act.

Our thoughts are with the victims, their families, and the local community. Moments like these remind us how closely connected we all are and how important it is to support one another in these very challenging times.

If this news has been distressing for you or your family, please know that it's okay to lean on your support networks. Within our Probus community, we encourage kindness, care, and checking in on those around us.

We are thinking of everyone impacted and sending strength during this incredibly difficult time.

Yours in Probus friendship,

Committee, Bondi Beach Probus Club
