### **President's Message**

What a wonderful Month it has been for our new Probud Club! It's truly heartening to see the enthusiasm and friendship blossoming amongst us.

Our recent general meeting was a tremendous success, with a fantastic turnout of both members and visitors. The morning tea was filled with warmth, laughter and conversation, especially the kind of fellowship that makes Probud so special. We were also treated to a fascinating talk on beekeeping and the role of honey in our community. A big thank you to Jonathan Landes, our guest speaker, for such an engaging presentation.

In addition to our meeting, we've enjoyed some great outings. A recent visit to the Shrine was both reflective and meaningful. Our newly established walking group is now meeting weekly. A perfect blend of exercise and camaraderie. For our more energetic members, we now have a bike riding group rolling along as well.

Social gatherings have been another highlight. We had a lovely lunch at the Rosstown Hotel, where members and guests caught up over delicious food and great conversation. Our monthly coffee club at Café Omnia continues to draw a cheerful crowd. It's always a pleasure to share stories over a cuppa.

As our club continues to grow, so too do the ideas and possibilities. Members have been sharing wonderful suggestions for future activities, including movie outings, the theatre and a future book club to name a few. It's inspiring to see the spirit of community and creativity taking root.

Please enjoy our August News Letter.  
See you soon!

Jeff Dimand  
Foundation President
