"Please pay within ONE MONTH of Booking.

Non-members MUST PAY when Booking.

Please Wear Name Badges

To ALL MEETINGS & OUTINGS

AIRPORT DISTRICT INC.

Members are reminded to wear their Probudist Badges at every meeting and on all outings. This is an important requirement for Identification and Insurance purposes.

Any person injured at a Probudist function or meeting is encouraged to submit an 'Incident Report' to the committee even if a claim for injuries is not submitted at the time. The committee has deemed that this is necessary to ensure that any long term consequences of such injury will be covered by Probudist Insurance, in case a claim is submitted at a later date.

JANET WEIR: BE AWARE! STROKE...

It's likely to impact on the family of each and everyone reading this!

Stroke.... it's one of Australia's biggest killers.

It's indiscriminate. It affects men, women and children of all ages and from all walks of life, including our Military and

Ex-Service Communities. It kills more women than breast cancer and more men than prostate cancer, yet more than 80 percent of strokes can be prevented.

So... what can each of us do to minimise our risk and those of our loved ones of dying or being incapacitated by stroke?

Janet Weir from the [Stroke Foundation](#) is our special guest speaker today... she imparts important info that could give each of us a fighting chance of beating this killer... Stroke....
