Sherlock Holmes and Dr. Watson must crack the mystery of "The Hound of the Baskervilles" before a family curse dooms its newest heir. Watch as our intrepid investigators try to escape a dizzying web of clues, silly accents, disguises and deceit as five actors deftly portray more than 40 characters. Does a wild hellhound prowl the moors of Devonshire? Can our heroes discover the truth in time? Join the fun and see how far from elementary the truth can be.
