Why did the scarecrow win an award?  
Because he was outstanding in his field.

I'm on a whiskey diet. I've lost three days already.

Doc, I can't stop singing the 'Green Green Grass of Home'. He said: "That sounds like Tom Jones syndrome." "Is it common?" I asked. "It's not unusual" he replied.

I said to the Gym instructor "Can you teach me to do the splits?" He said, "How flexible are you?" I said, "I can't make Tuesdays."

The elderly grandma always talked to the hens whenever she fed them.

One day, her grandson asked, "Grandma, why do you talk to the chickens?"

"I'm just trying to egg them on."

A woman gets on a bus with her baby. The bus driver says: "Ugh, that's the ugliest baby I've ever seen!" The woman walks to the rear of the bus and sits down, fuming. She says to a man next to her: "The driver just insulted me!" The man says: "You go up there and tell him off. Go on, I'll hold your monkey for you."

Police arrested two kids yesterday, one was drinking battery acid, the other was eating fireworks. They charged one - and let the other one off.

Irony of Age When you're a baby, you're taken care of by your parents. When parents grow old, they're taken care of by their baby.
